

RI CHAPTER
www.usgbcRI.org
 401-31-GREEN

Hello everyone. In case you missed it, here are some photos from the Annual Meeting.

Steve Zenofsky leads a tour of FM Global, designed to LEED™ Gold.

Bill Sisson of UTC discusses energy efficiency and transforming the market.

Perusing the Chapter's new gallery of LEED Project Profiles.

And, here's a sneak peek at our educational programming for early 2010.

Did you know? The National Football League Is Green

Come hear about the latest efforts involving the NFL's Climate Change Initiative as well as the green design features at Gillette Stadium and One Patriots Place. Thursday, **March 18th** 4:00PM-7:00PM. **Registration now open.**

§ Green Buildings Act now Law

Chapter members will present at the Eastern States Building Code Officials Federation 61st Annual Educational Conference to explain the bill and introduce the USGBC LEED™ green building standard. Monday, **April 12th** 5PM-6PM.

Celebrate Earth Week at UNFI

Learn how to transform an old mill building into a LEED™ certified building @ United Natural Foods Inc. Tour and healthy refreshments included; Continuing Education Credits available. Wednesday, **April 21st** 4:30PM -7:30PM.

Green Building Tours

The Chapter is organizing tours of the Blue Cross & Blue Shield of RI headquarters (new construction) and the Moran Shipping Agency (historic restoration), both in Providence. Friday, **May 14th** – mid to late afternoon.

Save the Date: Summer Soiree for Sponsors

Please join us for a social gathering Upstairs at 41° North, Newport, RI designed to the LEED standard. Jack Robinson of Winslow Management will give the keynote address: Adapting your Portfolio for Climate Change. Friday, **June 4th** 5-9PM.
